(SALE OF EASEMENT ON CITY PROPERTY)

AUTHORIZING SALE OF ROAD EASEMENTS TO THE CITY OF MOUNTAIN VIEW FOR PURPOSE OF WIDENING TYRELLA AVENUE, MOUNTAIN VIEW.

Be It Ordained by The People of the City and County of San Francisco:

Section 1. In accordance with Public Utilities Commission Resolution No. 81-0504, the Board of Supervisors hereby declares that the public interest and necessity requires the sale of certain road easements across portions of Water Department Parcels 191, 192 and 194 to the City of Mountain View for the widening of a portion of Tyrella Avenue, Mountain View.

Section 2. The subject easement parcels are shown on Water Department Drawing No. B-4264, a copy of which is on file with the Clerk of the Board of Supervisors. The City of Mountain View has requested that the City and County of San Francisco make a direct sale to Mountain View without requiring that they exercise their power of eminent domain.

Section 3. Said easement rights are surplus to those which have been retained, and required, for municipal purposes; and the sale of said easements will not affect the Master Plan.

Section 4. Pursuant to Section 7.401 of the City Charter, the Director of Property has made an appraisal of the fair market value of said easements and has determined the value to be $6,825.00. The City of Mountain View has agreed to purchase said easements at the full appraised value.

(PROJECT LIMITS INCREASED TO FIFTEEN THOUSAND DOLLARS)

AMENDING CHAPTER 6, SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 6.1, 6.3, 6.19, 6.28 AND 6.29 THEREOF, INCREASING THE MONETARY LIMITS WITHIN WHICH PUBLIC WORKS PROJECTS MAY BE PERFORMED BY CITY AND COUNTY DEPARTMENTS TO FIFTEEN THOUSAND DOLLARS.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 6, San Francisco Administrative Code is hereby amended by amending Sections 6.1, 6.3, 6.19, 6.28 and 6.29 thereof, to read as follows:

SEC. 6.1. Bidding Required on Contracts Exceeding Fifteen Thousand Dollars; Time for Bidding.

The several department heads and officers empowered by law to enter into contracts on the part of the city and county for public works or improvements to be performed at the expense of the city and county, or to be paid out of moneys deposited in the treasury, or out of trust moneys under the control of or collected by the city and county, when the expenditures involved shall exceed the sum of fifteen thousand dollars, shall let such contract to the lowest reliable and responsible bidder at any time not less than ten days after the last date of publication or more than thirty days after receipt of bid unless the time for letting such contract be extended by resolution of the board of supervisors upon the recommendation of the department head, board or commission responsible for such award; provided that whenever, in order to develop, implement or improve a qualifying affirmative action non-discrimination program as required by section 12B of the administrative code a period in excess of thirty days after receipt of bid shall be required, then such department heads or officers empowered to enter into contracts for public works or improvements to be performed for or on behalf of the city and county shall have an additional thirty days within which to let such contract to the lowest reliable and responsible bidder.

SEC. 6.3 Acceptance of Other Than Lowest Bids; Reports.

If the officer or department head empowered to award a contract exceeding fifteen thousand dollars believes that the public interest would be best served by accepting other than the lowest gross price or unit cost bid, and the contract is entered into with another bidder, written report shall be made immediately to the chief administrative officer, the mayor and the controller by the officer authorized to execute the contract, with the reasons for failure to accept such lowest bid.

SEC. 6.19. Surety Bond to Accompany Bid; Notice Inviting Bid; Form of Bids.

In any case, when the expenditure for the construction, reconstruction or repair of public buildings, streets, utilities or other public works or improvements shall, as estimated by the department head, exceed the sum of fifteen thousand dollars, the bids referred to by this chapter shall be sealed, directed to the department head or officer calling the bids, and shall be accompanied by a corporate surety bond or by a certified check on a solvent bank of the state, payable on sight to the city and county, the amount of which corporate surety bond or certified check shall be fixed by the department head or officer and stated in the advertisement, which amount shall not be less than ten per cent of the amount bid for the cost of the proposed work or improvement, and no proposal shall be considered unless accompanied by such bond or check.

Notices inviting sealed bids under the conditions of this section must be published in accordance with the provisions of section 10.100 of the charter, and at least five calendar days must intervene between the date of publication and the time for

filing such sealed bids or proposals. Such notices shall state in general terms the conditions of the proposed contract, and if progressive payments are to be provided under any contract in accordance with section 7.202 of the charter, or if any contract is to be let on the basis of a gross price or cost per unit of work to be performed or on the basis of time of completion, with liquidated damages for every day during which the contract is uncompleted beyond such specified date in accordance with section 7.203 of the charter, such notice shall so state. Each advertisement for bids shall contain the reservation of the right to reject any and all bids.

All bids shall be filed on forms furnished by the department head concerned, and all bids not so filed shall be rejected. All bids received as herein provided shall be publicly opened by the proper department head or officer at the time and place to be stated in the advertisement for proposals, and after tabulation, bidders may inspect the accepted low bid. Bids with alterations or erasures therein shall be rejected. When specifications do not include alternative proposals, statements or communications accompanying bids which serve to qualify such bids shall not be considered in making awards, and will disqualify bidders.

SEC. 6.28 Authorization and Performance of Work Costing Less Than Fifteen Thousand Dollars.

Generally. Any construction, reconstruction or repair of public buildings, streets, utilities or other public work or improvement estimated to cost less than fifteen thousand dollars may be performed under contract or written order by the employment of the necessary labor and purchase of the necessary materials and supplies directly by the city and county. Any public work or improvement executed by the city other than routine repair work shall be

authorized by the chief administrative officer or by the heads of the department not under the chief administrative officer only after detailed estimates have been prepared and submitted by the head of the department concerned. Any public work or improvement costing less than fifteen thousand dollars and not performed by the use of city and county labor, materials and supplies shall, if not performed under contract, be covered by written order or agreement, which shall be based on not less than three bids, notice of which shall be given by three days' posting.

Unit cost to be determined. It shall be the duty of the controller to determine, where practicable, the unit cost of work done by the city and county for the purpose of determining whether similar work could be done under public contract at a lower cost.

Records and approval. The controller shall maintain records of bids filed by departments in relation to the total direct and indirect cost of each such work and shall report thereon periodically to the mayor and chief administrative officer. The controller may refuse to approve contracts with a department shown to be repeatedly underbidding on contract work and failing to complete same within the contract price.

SEC. 6.29 Department Head May Sign Contracts Under Fifteen Thousand Dollars; Approval and Certification of Contracts Exceeding Fifteen Thousand Dollars.

The Department head shall have the power to sign any contract when the estimated expenditure thereunder is not in excess of fifteen thousand dollars. Any contract involving the expenditure of over fifteen thousand dollars shall require the joint approval of the department head and the chief administrative officer, relative to departments under his jurisdiction, or the signature of the department head and the approval by resolution of the board or

commission concerned for departments not under the chief administrative officer; provided, that no obligation involving the expenditure of money shall be incurred unless certification of the controller is first obtained in accordance with Section 6.302 of the charter.

APPROPRIATING $499,710 FOR OVERTIME AND RELATED MANDATORY FRINGE BENEFITS, SAN FRANCISCO GENERAL HOSPITAL, FOR F/Y 1981-82; AN EMERGENCY ORDINANCE.

Section 1. Funds are hereby appropriated for F/Y 1981-82 as follows:

DEPARTMENT AND NUMBER	SOURCE OF FUNDS AND PURPOSE OF APPROPRIATION	AMOUNT DEBIT	AMOUNT CREDIT

36-01-00	San Francisco General Hospital

	Total	$499,710	$499,710

Section 2. Because of vacancies in the various nurse classifications during the summer of 1981, nurses already on staff at San Francisco General Hospital worked overtime to care for patients. That placed a heavier than normal burden on funds appropriated for overtime. In the early months of 1982 there has been an unexpected increase in the daily census of in-patients and a corresponding need for additional overtime work by nurses and by support staff in non-medical professions.

These two factors have completely absorbed the money allocated to overtime accounts at San Francisco General Hospital for F/Y 1981-82. Although the hospital caseload has depleted the overtime accounts, the employees have continued to work in order to provide direct patient care and support for the medical teams.

Employees who have performed this overtime work in the most recent three pay periods have not received checks for the additional hours and cannot be paid until an ordinance is approved to allow appropriation of money to the overtime accounts.

/ /

BOARD OF SUPERVISORS

Hospital employees may begin to decline overtime if funds are not available in the proper accounts to compensate them. This situation would jeopardize the continued and uninterrupted operation of patient services at the hospital. Further additional overtime will be necessary until vacancies are filled. In order to ensure the continued delivery of basic patient care, this supplemental appropriation is necessary.

The Chief shall specify in detail in the notification the activities which provided the basis for the Chief's initial determination that criminal activity has occurred on the premises.

(c) If, within one year after such notification is sent, the Chief makes an initial determination that the same criminal activity may have recurred on the premises, the Chief shall hold a hearing in order to determine whether such activity has taken place. The Chief shall notify the operator at least seven days in advance in writing of the date and time of the hearing and, in addition, shall specify the grounds upon which the Chief made the initial determination that the same criminal activity may have recurred. In addition, in that written notification the Chief may impose any conditions upon operation of the business reasonably designed to assist the operator in the prevention or cessation of criminal activity on the premises. Any

conditions so imposed are a supplement to and not a substitute for the operator's duty to take all reasonable measures to prevent and stop criminal activities from occurring on the premises.

(d) If within one year after the Chief sends written notice of the determination that criminal activity has recurred, pursuant to subsection (c), the Chief makes an initial determination that the same criminal activity may have recurred on the premises, the Chief shall hold a hearing to determine whether such activity has taken place. The Chief shall notify the operator at least seven days in advance in writing of the date and time of the hearing and, in addition, shall specify the grounds upon which the Chief made the initial determination that the same criminal activity may have recurred. If the Chief determines, based upon clear and convincing evidence, that the same criminal activity has recurred and that the operator with reasonable diligence could have prevented or stopped the recurrence of such activity, the Chief may suspend the permit to operate for a period of up to one year. If the Chief determines that the same criminal activity has recurred, but also determines that the operator could not with reasonable diligence have prevented or stopped its recurrence, the Chief may impose conditions of the type described in subsection (c).

(e) If the Chief of Police has imposed conditions upon operation of the business reasonably designed to assist the operator in the prevention or cessation of criminal activity, and the Chief makes an initial determination that the operator has not complied, or continued to comply, with one or more of those conditions, the Chief shall, after providing at least seven days' prior written notice, hold a hearing to determine whether the

BOARD OF SUPERVISORS

operator has complied with those conditions. If the Chief determines, based upon clear and convincing evidence, that the operator has not complied with one or more of those conditions, the Chief may suspend the permit to operate for a period of up to one year.

(f) Any condition imposed by this section shall be in force until the Chief of Police sends written notice to the operator that it is revoked. The operator of a business subject to any such condition may seek relief from modification of such conditions, which the Chief shall grant upon a determination that the conditions as originally imposed are no longer necessary to assist in the prevention or cessation of criminal activity on the premises.

SEC. 791.20. Limited Suspension. Any permit issued under the terms of this article may be suspended for a period of 30 days by the Chief of Police if the Chief of Police determines after a noticed hearing that the operator has received written notice from the Chief that a violation of the provisions of this article pertaining to the placement of signs, as set forth in Section 791.10, or stock in trade which depicts, describes or relates to "Specified Sexual Activities" or "Specified Anatomical Areas," as set forth in Section 791.12, has occurred, or that a violation of any applicable building, health, zoning or fire ordinance has occurred and that the operator has failed to correct the violation.

SEC. 791.21. Transfer of Permit.

(a) No permit shall be transferable except with the prior written approval of the Chief of Police and such approval shall be withheld only under the circumstances set forth in this section. An application for such a transfer shall be in writing

and shall be accompanied by the same filing fee as for an initial application. The written application for such transfer shall contain the same information as requested herein for an initial application for a permit and, in addition, any information, financial or managerial, which may be requested by the Chief of Police and which is relevant to the question of the ownership of stock in any non-exempt corporation or ownership of partnership interests.

(b) Transfer of partnership or corporate ownership. An application for and approval of a transfer of a permit shall be required prior to any change in ownership of ten percent (10%) or more of the stock of any non-exempt corporation to any person not listed on the application filed by said corporation pursuant to Section 791.3. An application for and approval of a transfer of a permit shall be required prior to any change or substitution of any partner of a partnership. Any change of stock ownership or change or substitution of any partner of a partnership occurring without the prior submission and approval of an application for transfer of a permit shall constitute a violation of this article.

(c) An application for a change in ownership of the stock of any non-exempt corporation or for a change or substitution of any partner of a partnership which results in a partial change in the owners or ownership interests listed on the original permit application shall require a filing fee equal to that charged for a Permit Amendment/Additional Partner, as set forth in Section 2.26 of this Code, provided, however, that any such change or substitution, or series of changes or substitutions, which result in a complete change from the owners or ownership interests listed on the original application within a period of one year or

less is deemed a transfer of a permit and the filing fee shall be the same as for an initial application.

(d) The Chief of Police shall approve an application for transfer of a permit unless the Chief finds:

(1) That the operation of the business would not comply with all applicable laws, including, but not limited to, the City's building, health, zoning and fire ordinances; or

(2) That the current permittee, proposed new partner, or the proposed new stockholder has made any false, misleading or fraudulent statement of facts in the application or any other docuiment required by the Chief in conjunction therewith; or

(3) That a permit to operate an adult bookstore or adult theater issued to the proposed new partner or proposed new stockholder has been suspended and the period of suspension has not yet ended.

(e) If an application for transfer of a permit is denied on the basis of (d)(1) of this section, the application may be submitted again after the applicant takes steps to bring the business operation in compliance with all applicable law. If it is denied on the basis of (d)(2) of this section, the application may be submitted again after one year. If it is denied on the basis of (d)(3), the application may be submitted again after the period of suspension ends.
